BRIEF HISTORY OF THE COLLEGE

The Govt. Degree College, Rajampeta, Kadapa(Dist) has been established with a view to cater the needs of the rural students of Rajampet area. The College is affiliated to Yogi Vemana University, Kadapa and the Curriculum is designed by the respective departments of the Yogi Vemana University. For every Department there is a Board of Studies. The Syllabi and course content are designed by the respective Board of Studies of the University.

Since its inception, the Government Degree College, Rajampeta has been pioneering in serving the educational needs of the in and around rural backward students of Rajampeta in particular and the students of Kadapa in general. The Alumni of our esteemed institution include highly qualified professionals, Political Leaders, Scholars, Social workers, Business magnets, Industrialists and NRI’s, who have been excelling in the multifaceted trades of the society.

The objectives of imparting higher education are being well accomplished by including various traditional subjects at the undergraduate level. The eventual goal is to train and elevate the students to the future competitive challenges at the socio-global levels. In the scenario of the developing demanding modern trends like globalization, innovations in the field of Information Technology and Communication Skills, the college
has been keeping apace by substantiating with Competitive training (Academic Guidance), providing placements (JKC) and by including computer based courses.

The Restructured courses like Bio-Technology, Computer Science and Computer applications are introduced vindicate the students to gear up to modern trends and aptitudes. The Non-Core subjects like Indian Heritage and Culture, Science and Civilization and Environmental Studies are being taught to instill human socio and cultural awareness in the hearts of students.

Many an innovative techniques have been introduced in the syllabus for the under graduate courses since 2008. In view of the growing importance of the soft and communication skills in job opportunities, the Andhra Pradesh State Government has formulated new syllabus pattern in English. The English language Lab has been established to enable students to master computer based online practical examinations, Soft Skills, proper articulation, exposure to internet and to get the students acquainted with the basics of Computer operations.

Our Staff prepare the annual academic plans for curricular and co-curricular activities and implement them in strict adherence. Assignments, seminars, field trips, JKC
training, DRC meets and MANA TV programmes supplement the student’s learning processes with rich academic fervour.

The college has well-established laboratories with trained staff and technicians. The practical and the project works are conducted regularly in various subjects to develop the practical skills among the students. They trained them to pursue higher studies and acquaint them with learner research-oriented methods. Debates, seminars, quiz competitions, field trips, JKC training, DRC meets and MANA TV programmes are organized in order to awaken the spirit of humanity and patriotic feelings. Yoga, Meditation and Medicare classes are conducted to inculcate the spirit of logical thinking, rational approach and self-awakening.

Every opportunity is explored and utilized towards character-building and participation of the learner in the field of societal transformation programmes. Aids-awareness, Voters-Day rally, Pulse Polio Rallies are a few of the social responsibilities shouldered by the students of our college. Our teaching faculty is quite competent and qualified. Five of our lecturers possess Ph.D, Seven have M.Phil.s, Seven lecturers have been pursuing Ph.D., and five of our lecturers are NET / SET qualified. Some of the lectures have published their articles and books in reputed journals.
Various extension activities are taken up by the teachers as well as the students to create awareness among the people of the region on the issues related to the society. The college is well facilitated with good infrastructural facilities and physical amenities. A vast playground, a big library, a reading room, a pleasant garden, computer labs, gymnasium, classrooms, BRAOU study centre, canteen, drinking water facility, internet and parking facilities.

The faculty pays keen attention and takes constant care in giving guidance and counseling to the students in academic and personal matters. The Students are admitted on merit basis and in accordance with the rules of reservation of Andhra Pradesh Government. The average and below average students of the college are given remedial training and special coaching in the academic and co-curricular activities. The teachers strive hard to escalate the academic performance moulding them in to well civilized, learned and successful graduates. The pass percentage of the students on an average is 64%.

The Career Counseling Cell and the Internet centre create global competitive awareness in the students and trained the students according to the modern competitive scenario. Along with the regular library the college has a separate reading room under the career counseling cell. Students make use of
their leisure in the CCC and Internet center under the able guidance of the talented lecturers in various fields.

The college has been utilizing maximum funds from the State Government and from the U.G.C as well. Recently, the U.G.C allocated Rs.22.5 lakhs for procuring equipments under Additional Assistance Scheme of XI plan and State Government granted Rs.5 Lakhs for the construction of additional class room.

The institution is crowned by a well experienced regular Principal. The whole hearted cooperation extended to the Principal results in the smooth conduct of administration. The academic well being of the students is given utmost priority in the campus. The Student-centered administration concentrates on providing immediate solutions to the problems represented by the students.

The outstanding students are always encouraged to enhance their study skills while the slow learners are given remedial training to face the academic challenges they come across in the process of learning life skills.

BRIEF HISTORY OF THE COLLEGE

The Govt. Degree College, Rajampeta, Kadapa(Dist) has been established with a view to cater the needs of the rural students of Rajampet area. The College is affiliated to Yogi Vemana University, Kadapa and the Curriculum is designed by the respective departments of the Yogi Vemana University. For every Department there is a Board of Studies. The Syllabi and course content are designed by the respective Board of Studies of the University.

Since its inception, the Government Degree College, Rajampeta has been pioneering in serving the educational needs of the in and around rural backward students of Rajampeta in particular and the students of Kadapa in general. The Alumni of our esteemed institution include highly qualified professionals, Political Leaders, Scholars, Social workers, Business magnets, Industrialists and NRI’s, who have been excelling in the multifaceted trades of the society.

The objectives of imparting higher education are being well accomplished by including various traditional subjects at the undergraduate level. The eventual goal is to train and elevate the students to the future competitive challenges at the socio-global levels. In the scenario of the developing demanding modern trends like globalization, innovations in the field of Information Technology and Communication Skills, the college
has been keeping apace by substantiating with Competitive training (Academic Guidance), providing placements (JKC) and by including computer based courses.

The Restructured courses like Bio-Technology, Computer Science and Computer applications are introduced vindicate the students to gear up to modern trends and aptitudes. The Non-Core subjects like Indian Heritage and Culture, Science and Civilization and Environmental Studies are being taught to instill human socio and cultural awareness in the hearts of students.

Many an innovative techniques have been introduced in the syllabus for the under graduate courses since 2008. In view of the growing importance of the soft and communication skills in job opportunities, the Andhra Pradesh State Government has formulated new syllabus pattern in English. The English language Lab has been established to enable students to master computer based online practical examinations, Soft Skills, proper articulation, exposure to internet and to get the students acquainted with the basics of Computer operations.

Our Staff prepare the annual academic plans for curricular and co-curricular activities and implement them in strict adherence. Assignments, seminars, field trips, JKC
training, DRC meets and MANA TV programmes supplement the student’s learning processes with rich academic fervour.

The college has well-established laboratories with trained staff and technicians. The practical and the project works are conducted regularly in various subjects to develop the practical skills among the students. They trained them to pursue higher studies and acquaint them with learner research-oriented methods. Debates, seminars, quiz competitions, field trips, JKC training, DRC meets and MANA TV programmes are organized in order to awaken the spirit of humanity and patriotic feelings. Yoga, Meditation and Medicare classes are conducted to inculcate the spirit of logical thinking, rational approach and self-awakening.

Every opportunity is explored and utilized towards character-building and participation of the learner in the field of societal transformation programmes. Aids-awareness, Voters-Day rally, Pulse Polio Rallies are a few of the social responsibilities shouldered by the students of our college. Our teaching faculty is quite competent and qualified. Five of our lecturers possess Ph.D, Seven have M.Phil.s, Seven lecturers have been pursuing Ph.D., and five of our lecturers are NET / SET qualified. Some of the lectures have published their articles and books in reputed journals.
Various extension activities are taken up by the teachers as well as the students to create awareness among the people of the region on the issues related to the society. The college is well facilitated with good infrastructural facilities and physical amenities. A vast playground, a big library, a reading room, a pleasant garden, computer labs, gymnasium, classrooms, BRAOU study centre, canteen, drinking water facility, internet and parking facilities.

The faculty pays keen attention and takes constant care in giving guidance and counseling to the students in academic and personal matters. The Students are admitted on merit basis and in accordance with the rules of reservation of Andhra Pradesh Government. The average and below average students of the college are given remedial training and special coaching in the academic and co-curricular activities. The teachers strive hard to escalate the academic performance moulding them into well civilized, learned and successful graduates. The pass percentage of the students on an average is 64%.

The Career Counseling Cell and the Internet centre create global competitive awareness in the students and trained the students according to the modern competitive scenario. Along with the regular library the college has a separate reading room under the career counseling cell. Students make use of
their leisure in the CCC and Internet center under the able guidance of the talented lecturers in various fields.

The college has been utilizing maximum funds from the State Government and from the U.G.C as well. Recently, the U.G.C allocated Rs.22.5 lakhs for procuring equipments under Additional Assistance Scheme of XI plan and State Government granted Rs.5 Lakhs for the construction of additional class room.

The institution is crowned by a well experienced regular Principal. The whole hearted cooperation extended to the Principal results in the smooth conduct of administration. The academic well being of the students is given utmost priority in the campus. The Student-centered administration concentrates on providing immediate solutions to the problems represented by the students.

The outstanding students are always encouraged to enhance their study skills while the slow learners are given remedial training to face the academic challenges they come across in the process of learning life skills.
