Reuse, Reduce and Recycle(RRR)

The department has collecting the waste paper for reducing the usage and also selling the same for recycling process to produce fresh paper. From the Departments we are collecting the utilized waste papers (Especially A4 size) by the chemistry department for RRR process from 25.03.2022. This encourages the environmental consciousness and also implementing the paperless policy in the institution. Further it will also leads to revenue generation from the waste. In this activity students also actively participated.
