WEEKLY REPORT

WEEK - 2 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

I conducted this survey was very complimentary was gathering out comes about the mobile usage on the basis of obtained results it can be said that majority of the college students are using the smart phone and there are not gender wise distribution is using mobile phones also most of the students use internet for internet surfing making call and SMS and all those three gender differences were not found also use of mobile is more at night as compared to morning. It was also found most people prefer 44 and 59 phones to use Android operating system is the most popular among everyone the present study will be useful to the educators to find out the mobile addiction and accordingly measures can be taken. The security concern was one of the factors that influenced by the mobile phone user. The feeling of loneliness some people are using the mobile phone so extensively that it assumes the form of addiction.

WEEKLY REPORT

WEEK - 3 (From Dt..... to Dt.....)

Objective of the Activity Done:

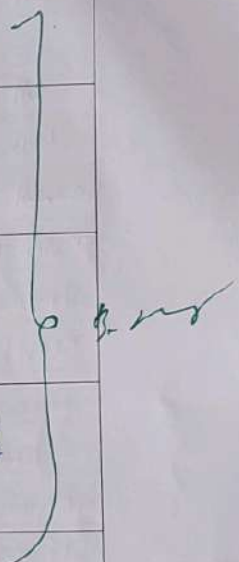

Detailed Report:

I conducted this survey was very
Complimentary was gathering out comes about the
mobile usage

There has been tremendous growth of the
mobile phones in india. it is reported that the indias
tele communication market is the second largest in the world
the mobile phones are available to the people technology
has brought the word closer it provided great convenience
in communication among people by way of either
calling or texting

The first handheld cellular mobile phone
was demonstrated by john milebark and martin cooper
Motorola in 1973 over the year starting from 1973
cell phones have changed drastically from simple
to smart one can say that a cell phone is
fundamentally essential to present day life this
advanced invention is the most rapid change in
daily life has ever seen we are now able to
read, weather and listen to anything this mobile
phone are considered as an important human invention

Day - 5	many factoring of the King of Brands	manufacturing of mobiles in India, China	
Day - 6	Branding logo	Branding logo Oret (1*), oppo vivo	

WEEKLY REPORT

WEEK - 4 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

I conducted this survey and very complimentary was gathering outcomes of about the mobile usage. Mobile phones are powerful communication devices. Mobile phones have become an integral part of every one's lives. There are more than seven billion users around the world. The number of smart phone users is also rising rapidly. Every time the mobile phone has turned from a technological tool to a social tool. Engineers have made for the business world. Now days mobile phone have become status symbols for students. Mobile learning has emerged as a new technological achievement. With the use of mobile technologies the potential for effective teaching and learning has increased. The term mobile learning is still developing. It is still unclear. There are three mobile phones have several applications are that can be useful in teaching and the learning process.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

Questionnaire for Socio-Economic Survey:-

1. Name of the respondent
2. Name of the locality
3. Gender & Age
5. Educational Qualification and Profession
6. What are the problems faced the society
7. Do you receive any Govt schemes

Questionnaire for Connectivity Service Projects

1. How does the mobile phone working in your daily life?
2. How you use mobile phone in your leisure free time?
3. How many hours do you spend on your mobile phones?
4. What is the use of mobile phone for teenagers
5. Are you addicted to smart phones?
6. What application (Apps) are used mostly?
7. Any harmful effects of mobile phones?

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.)

1. Digital eye strain eyes begin to burn and it chills vision and digital eye strain can cause headaches
2. Sleep disturbances cell phone addiction has been linked to an increase in sleep disorder and fatigue in users
3. Distraction mobile is a distracting device that creates a distraction between your work it is seen in students that are easily distracted from their studies
4. Addiction to mobile phone using mobile phones too much makes a person addicted to them
5. Health problems: Excessive use of mobile phones causes the health problems and mental disorder such as Anger depression anxiety tension and others

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

→ usage of cell phones

mobile phones are one of the most commonly used go & gets in today's world

they come in use for communicating through voice messages and mails we can also surf the internet using a phone most importantly we can click photos and record videos through our mobile cameras

⇒ Advantage of mobile phones:

- * Education
- * Social media
- * promoting business
- * good for people safety
- * helpful in emergency situation
