REGISTER NUMBER : 211030524021

NAME OF THE MENTOR : J. RAVENDRA BABU

**TOPIC : Food and Beverages in Hotel, Housekeeping Department, Hotel
Manager and Goals of Hospitality Industry**

2. **Product Quality** : Customers love good service, but the hospitality industry must also provide good quality products to satisfy customers. Goals based on this important objective from restaurant to restaurant and from hotel to hotel.

3. **Volume**: Another primary objective of hospitality industry is customer volume. A restaurant owner wants to see 100 percent of her tables are filled during any given service period.

4. **Ratings**: Publicly available ratings can reflect the success of a hospitality-based company in a meeting its performance objectives. There are well-known trade-specific rating guides both the restaurant and Hotel industries and managers strive for recognition in them.

Definition of tourism:

Tourism can be defined as the activity that involves people travelling from one place to another for the purpose of leisure, business or other reasons. It involves several activities such as lodging, food and beverage transportation, recreation, and sightseeing. Tourism has become an important industry in many countries.

Types of tourism:-

- ⇒ Leisure tourism
- ⇒ Business tourism
- ⇒ Environmental tourism
- ⇒ Cultural tourism
- ⇒ Adventure tourism

⇒ Leisure tourism :

Leisure tourism is the Most Common form of tourism, where people travel for fun, relaxation, and entertainment. This can include activities.

⇒ Business tourism :

Business tourism involves travelling for business purposes, such as attending conferences, meetings, and exhibitions. This type of tourism is common among corporate executives, government officials, and entrepreneurs.

⇒ Environmental tourism :

Environmental tourism is a type of tourism that involves natural nature and wildlife. This can include activities such as safari tours, bird watching, and eco-tourism.
