

VISION OF THE DEPARTMENT

To Establish a platform for foundation towards excellence, Creation of knowledge, Understanding research through teaching at under graduate level in Physics .

MISSION OF THE DEPARTMENT :

- ❖ To Enlighten the students and discover the talent in both theory and practical Physics.
- ❖ To build a foundation for excellence and encourage the development of the Institution as a premier Institution by promoting enthusiasm, interests and passion in the study of Physics, as a part of curriculum .
- ❖ To create intellectual property through innovations, quality research publications by Physics.

OBJECTIVES OF DEPARTMENT :

- ✧ To create human resources with strong foundation in Physics which can be applied to wide areas in Science and Technology.
- ✧ To motivate students towards research in Physics .
- ✧ To carry out research through collaboration with researchers of other reputed academic institutions of India .
- ✧ To succeed in Job opportunities in relevant to their interest .
- ✧ To improve leadership qualities, ethics for being a good citizen with scientific approach .

HIGHLIGHTS

- ✓ Well Equipped Laboratories.
- ✓ Maintenance of 10 KVA SOLAR POWER PLANT.
- ✓ Maintenance of Energy Audit in college .
- ✓ Audio & Visual Education by LCD projector, Virtual class rooms & V LABS .
- ✓ Physics Lab Experiments through Physical mode as well as VIRTUAL MODE .
