Instructions to Students

Please read the detailed Guidelines on Internship hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

1. It is mandatory for all the students to complete Short term internship either in 2nd Semester.
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the Principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements for transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the people working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - a. Data and Information you are expected to collect about the organization and/or industry.
 - b. Job Skills you are expected to acquire.
 - c. Development of professional competencies that lead to future career success.
11. Practice professional communication skills with team members, co-interns, and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.

13. Never be hesitant to ask questions to make sure you fully understand what you need to do your work and to contribute to the organization.
14. Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.
15. At the end of internship, you shall be evaluated by your Supervisor of the intern organization.
16. There shall also be evaluation at the end of the internship by the Faculty Guide and the Principal.
17. Do not meddle with the instruments/equipment you work with.
18. Ensure that you do not cause any disturbance to the regular activities of the intern organization.
19. Be cordial but not too intimate with the employees of the intern organization and your fellow interns.
20. You should understand that during the internship programme, you are the ambassador of your College, and your behavior during the internship programme is of utmost importance.
21. If you are involved in any discipline related issues, you will be withdrawn from the internship programme immediately and disciplinary action shall be initiated.
22. Do not forget to keep up your family pride and prestige of your College.

= 9 x 12

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

As per the people introduction RSETI. It is the most popular institute number of the people will joining this environment of institute will train fast here without any other field. It will provide many free facility like food And health. It is a very pleasant And comfortable are the place where the RSETI is constucted is very comfortable And a best place for training institute. we can interact with the RSETI staff without any hesitation of any time And improve our communication skills with each other because we are staying in the institute.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

We have learned the skills of all photography and videography like which includes checking of hardware of photography and videography. Technical skills in photography and videography involve both the creative and technical aspects of capturing camera options: understanding of different camera types (DSLR) mirror less proficiency with camera settings ISO, shutter speed, aperture. Manual and automatic shooting modes lens selection and usage for different situations. Compositions: rule of thirds, leading lines, symmetry and framing. Depth of field control. Understanding of perspective and angles. Balancing elements with in a frame.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

In this short term internship training my meal ing Lecture were divided as into some groups and distributed the tools And Confidence we should be with a good planing & we have to protect the tools and we have leaved good leadership quality and Controlled the group members in the institute leaved privately thing with homework and with good behaviour.

we leaved we all work by management of time And through this the management we of the training up set a good job.

In this institute and good decisions making skills , better performance to analysis that what to do next.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc..)

We would improve our communication skills we have learnt about something about the communication skills they are two types.

one is Verbal another is Non Verbal Communication Skills.

- i) Verbal Communication Skills
- ii) Non Verbal Communication Skills

These two skills are used or organised to communicate with good approach these communications skills are build confidence level while communications.

I will build my self confidence an getting understand by other without mis understanding.

Describe how could you enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

In this institute those are from some places And meeting held at last weekly once where we discuss about growth and profit And problems And every effect of show cum an authorized service contract.

In this training we build some qualities like leadership -And how to manage time and etc with management of skills.

Learned how to face problem in life with good will in hard situations Manage the produce as a team members And also to lead the team with the Management skills.

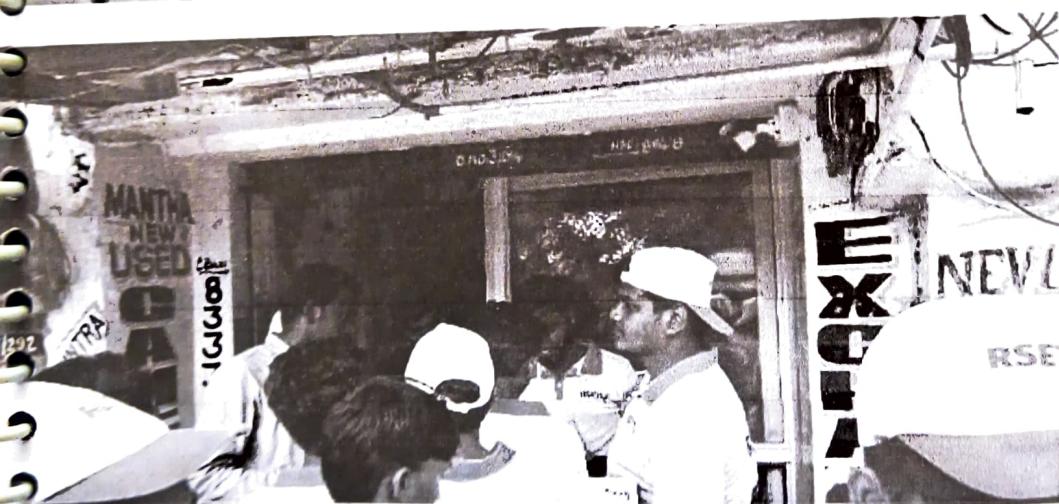

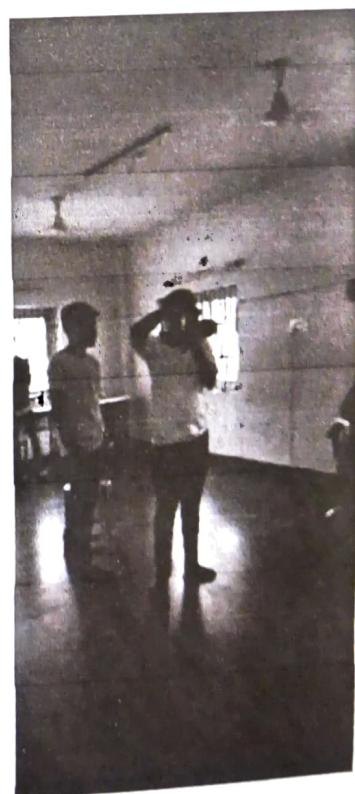

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

I have trained to the photography And Videography. I will improve my skills in this internship training with the skills I have build my self confidence to further skills. And plans I will step out with full confidence to searching job and go through with any skills.

I will know my skills and how to improve my skills, with my knowledge I can't depend my full life with my I will build my talent to get a good job. fame. I will focus about skills with digital relevant to our job role.
